The e-learning platform https://eportal.pwr.edu.pl

On the WUST e-learning platform you can

- find didactic materials (credit regulations, presentations, task lists, videos and other files)
- upload your works for evaluation (projects, written works, source codes, etc.)
- test your knowledge (tests, colloquia, tasks, individual information about grades)
- discuss with colleagues and teachers on the forum

I. Login instruction to WUST ePortal

1. Open https://eportal.pwr.edu.pl
   Click Log in (in the upper-right corner of the website)

2. Select JSOS users option to log in.

3. In the open login dialog, enter a username and password identical to the one used in the JSOS system.
   Click the button Log in.

4. On the navigation bar at the top left of ePortal, click the tab My courses.
   In the dropdown menu you will see a list of courses that you are enrolled on as a participant.
   Click a course link to open the course.
